

Poll Position

National Poll of 1,133 Registered Voters · Conducted 12.15.11 · Margin of Error +/- 3 percentage points*

8. The National Transportation and Safety Board is recommending that vehicle drivers be banned from using cell phones and other personal electronic devices except in the case of emergencies. The NTSB proposal would also ban hands-free use of those devices. Would you support or oppose a ban on the use of cell phones and PDA's by vehicle drivers?

Data for Poll Position survey research is collected using interactive voice response technology. Field work for all Poll Position surveys is conducted by Majority Opinion Research. Data are weighted by age, race, and gender. Questions of a political nature are additionally weighted by political party affiliation.

* Margin of error for demographic subgroups higher.
